They include the almighty Zeus and his many wives; heroic Perseus, slayer of the snake-headed Medusa; Helen of Troy, whose beauty caused a great war; Medea, driven mad by jealousy; and tragic Persephone, doomed to live half of each year in the Underworld, condemning the world above to winter. First published in 1880, this comprehensive collection is an early modern retelling of the characters and tales of ancient Greece and Rome; a popular account which offers an important insight into the ancient civilisations that it evokes, and forms a basis for our understanding of the classical world.
